National F F A Week April 1-7

by Miss Nadine Robinson
State Reporter

As a state officer for the Future Homemakers of America, this year has been a very full and exciting one for me. LastJuly, I was priviledged to attend the National FHA Convention held in Los Angeles, California, where 18 Virginia delegates met with delegates from every state, Puerto Rica, and the Virgin Islands, to plan and work for a good year. Since then, on the state level our officers have had two council meetings, and as reporter, I have had the challenge of compiling and publishing two issues of our state newsletter, **The Virginia Future Homemaker.**

In FHA there are countless opportunities for every girl, and one of then is a chance to attend our state convention, to be held at the Hotel Jefferson, in Richmond, Va., June 12-13 of this year. As a state officer, I urge all chapters to send a delegate, and can promise that this year's convention will be an exciting happening, full of good times plus good ideas for your upcoming year in the Future Homemakers of America.

OFFICERS OF THE APPOMATTOX COUNTY FUTURE Homemakers of America, Senior Chapter, shown above, seated, is President, Karen Marshall; standing, from left to right, are Secretary, Carla Varner; Reporter, Grace Ranson; Treasurer, Merium Ferris; 2nd Vice-President, Kay Stratton and 1st Vice-President, Gay Honeycutt.

These girls have been talking on their chapter activities on radio station W.F.L.O. in Farmville, Virginia every day at week at 4:30 p.m. Pictured from left to right are: 2nd Vice-Pres. Kay Stratton, Carol Wood, 1st Vice President, Gay Honeycutt, Treasurer Merium Ferris, Federation Vice-President - Ellen Doss, State Reporter, Nadine Robinson, and Chapter Reporter, Grace Ranson.

CAROL WOOD HELPS ELLEN DOSS (right) on her work as the Campbell - Appomattox County Federation Vice-President.

by Ellen Doss
Federation Vice President

The Appomattox County Chapter is a member of the Campbell - Appomattox Federation meetings are held each year, and a few planning meetings. The regular meetings are one in the fall, winter, and one-in the spring. The fall meeting was held at Brookville this year. It was a meeting where each chapter brought a different craft idea. These were to be helpful to the future homemakers.

The winter meeting was dealing with skits and was also held at Brookville. The spring meeting will be held at the Appomattox Intermediate School and will be the installation of the new officers. After this there will be a fashion show.

by Carol Wood
Past Treasurer of the Va. Association

Future Homemakers of America has meant very much to me during my five years of participation in the club. I have gained insights into the many branches of homemaking and

The federation is designed to further promote cooperation between school districts. it is felt that in the many years the Campbell Appomattox Federation has existed, that the goals of the organization have been met.

Ellen Doss has served as vice president this year from The Appomattox Chapter. Carla Varner is the president - elect for the coming year for the Campbell - Appomattox Federation.

These are the Junior Tri-Hi-Y Club Officers making the finishing plans for the Walk For Mankind. The Walk For Mankind is going to be held April 14, 1973, starting and ending at the Liberty Baptist Church. The Jr. Tri-Hi-Y Club members are out seeking their sponsors now. The walk will begin at 10:00 a. m, and there will be a place to call your ourents to come pick ypu up at the church, so you Jr. Tri-Hi-Y Club members get out and support your Jr. Tri-Hi-Y Club.

Ann McCraw, Reporter

good citizenship. Through my future homemaker activities I have learned the importance of a well-rounded and well planned home, and have seen the need to care for those around in the community and for the aged and shut-ins.

F.H.A. also provides an opportunity to gain self-confidence and to develop leadership skills. I have seen that by applying oneself to a goal, that many wonderful opportunities and experiences can be achieved. My experiences in F.H.A. have also provided chances to meet many people from all walks of life and to see the field of home economics opened to its broadest capacity. Future Homemakers of America has been a challenge and a club that has been more than just an extra-curricular activity. It is an organization well worth the time invested in it and is a rewarding experience in the life of a future homemaker. As an F.H.A member a line in our National Creed is a challenge itself, "we are the future homemakers of America, we face the future with warm courage and high hope for we are the builders of homes, homes of Amerla's future . . ." And this is why F.H.A has meant so much to me these past five years.

AIS Hosts FFA Public Speaking Contest

Michael McDowell, a member of the Halifax County Senior High School FFA Chapter, was the winner of the 42nd Annual Southside area FFA Public Speaking Contest held in the Appomattox Intermediate School March 28, McDowell's topic was "Farming. . The Wise Decision,"

Leslie Ford, Brookville, who spoke on "Agriculture" placed second. Third place went to Wayne Crews, Randolph-Henry and Jesse Booth, Liberty; and Robert Cottrell, Amelia; finished fourth and fifth respectively.

Each contestant gave an eight minute talk on agricultural subject and responded to questions on his topic by the judges. Michael will represent Southside Area in the state finals in June.

The contestants were welcomed to the host school by Donnie Thornhill, president of A. L. S. FFA Chapter. Gary Thomas, State FFA Reporter, directed the event. Local arrangements were made by B.F. Sauls, instructor of agruculture education in the Appomattox Intermediate school.

Winston No. 1 - Race Car on Display at King's Today

Winston Cup Grand National race fans no longer have to jump the pit wall to get a first hand look at a super speedway stock car.

Winston No. 1 a fully prepared Plymouth race car, will be on display Kings market in Appomattox today, April 5th, giving local racing fans a good look at what it takes to make a Grand National stock car tick.

The red and white stocker was built by petty Enterprises of Randleman, N.C., and, according to Maurice Petty, chief mechanic for Petty Enterprises, every detail that goes into building a highly competitive stock car is included in Winston No. 1.

The Road Runner's body, chassis, suspension, cooling system, rear end and fuel tank are all either modified or reinforced to meet both the top performance as well as safety standards demanded on the NASCAR Grand National circuit.

The Winston No. 1 car, not just a car painted to look like a race car, but professionally prepared to NASCAR specifications, will be on display at shopping centers and race tracks along the Winston Cup Grand National circuit this year.

Youth Baseball League To Hold Tryouts

Tryouts for the Appomattox County Dixie Youth baseball league will be held at the Woodmen of the World field on Sat., April 7, 1973, and on Sun., April 8.
